THE POWER OF TONGUES

Man is a spirit, but he has a soul and lives in a body. When a person is born again, his spirit is recreated. That is why the Bible says if any man be in Christ, he is a new creature; a new type of being that never existed before (2Cor.5:17)

Through the Holy Spirit, God then gives that recreated human spirit a new language - referred to as 'tongues of angels'

Before being received into heaven after His resurrection, Jesus gave His disciples a run down of the characteristics of the new creature, by which they could be easily identified. He listed things they will be known for, things they will be able to do in His name. **"...these signs shall follow them that believe; in my name they shall cast out devils; they shall speak with new tongues;..."**(Mark 16: 17-18). Many people misinterpret this scripture as a promise, but it wasn't a promise.

Jesus was talking about the forthcoming generation of church, a chosen generation, a royal priesthood, a holy nation and a peculiar people. If you are born again, then you're the one he's talking about. You are to be identified by these signs.

When Jesus was on earth, the Holy Spirit had not yet come to dwell on earth. He came after Jesus was taken to heaven. In John 14:16, Jesus promised His disciples that He would ask the father to give them another comforter - The Holy Spirit - who would abide with them forever.

Acts 2:1-4 records when the Holy Spirit came to earth and the one hundred and twenty disciples were the first Christians to receive Him and have tongues of fire.

Ever since then, the Holy Spirit has never left the earth. From then, He has been filling every believer in Christ and empowering us to do the works of Christ.

If you are born again but not filled with the Holy Spirit, the Lord wants you to receive Him today. Your salvation is the only qualification you require to receive. His presence in your life makes you more than an ordinary man, as the life and power of God now lives in you. This power is activated when you speak in other tongues.

Spending quality time speaking in tongues builds up your spirit man(Jude 1:20). You will be charging yourself in the spirit and stirring up the power of God. Speaking in tongues and confessing the word of God will make you a spiritual giant.

You're not just mouthing religious gibberish, but declaring mysteries in the spirit. You're speaking words that will change your whole world!

Activate the power within you by spending time speaking in other tongues; it works! It stops all fear, emboldens you and builds your inner man so strong, that you will have dominion over all your adversaries. You're actually giving signals and instructions in the spirit, causing angels to start acting on your behalf.

Sadly, some Christians still don't believe in speaking in other tongues. If you're one of them, note that, your not believing doesn't make it wrong. You're just denying yourself a great blessing and advantage that God has already made available to you.

If you want to live the authentic, dynamic and victorious Christian life, speaking in tongues is not an option. You see, when you speak in tongues you're speaking mysteries - secret truths, hidden things that are not obvious to the understanding.

There are times when you may not know what to do. You may need an idea, a business plan, a plan for your family, or even for your own life. You may not know what steps to take, but when you speak in other tongues, the truths will be revealed to your spirit, and

you would know what to do. You will have results that will amaze, confuse, and mystify the world around you. You will find yourself operating at your best. It would solve the problem that has lingered for such a long time in your life.

Don't be one of those who don't pray in tongues long enough for the power to rise within them. They just speak in tongues for a few minutes, being distracted by happenings around them, and then they stop, without stirring up that divine energy within them. I urge you to refuse to be distracted when speaking in tongues. Bring your mind under control, and before long the power of God will rise within you and flood your mind and body.

If you really want to see the glory of God in your life, and have greater blessings than you do now, then speak in tongues more than you've been doing.

If you're born again and filled with the Holy Spirit, then you've got all it takes to unlock the power within you and set up a fire in your spirit - Speak in other tongues!

TO GIVE YOUR LIFE TO CHRIST, PLEASE SAY THIS PRAYER:

I believe in my heart that Jesus Christ is the son of God. I believe that he died for my sins and was raised from the dead for my justification. And I confess him now as my Lord

Quote

*The only way to be a
spiritual giant is by
speaking in tongues*

H Y M N **Thy Kingdom Come, O God,**

1. Thy kingdom come, O God,
thy rule, O Christ, begin;
break with thine iron rod
the tyrannies of sin.
2. Where is thy reign of peace
and purity and love?
When shall all hatred cease,
as in the realms above?
3. When comes the promised time
that war shall be no more,
and lust, oppression, crime
shall flee thy face before?
4. We pray thee, Lord, arise,
and come in thy great might;
revive our longing eyes,
which languish for thy sight.
5. Men scorn thy sacred name,
and wolves devour thy fold;
by many deeds of shame
we learn that love grows cold.
6. O'er lands both near and far
thick darkness broodeth yet:
arise, O Morning Star,
arise, and never set!
